

En Masse

A partnership between ICOSA Collective and Spellerberg Projects
September 3 – December 27, 2021

Kicking off the fall season partnership in Lockhart, TX, ICOSA Collective and Spellerberg Projects are pleased to present *En Masse*, a group exhibition featuring the ICOSA Collective at Spellerberg Projects Masur Gallery.

En Masse includes the work of ICOSA’s current members and interns. The exhibition takes full advantage of the grand space and opulent backdrop of the Masur Gallery. Presented works span mediums of painting, printmaking, installation, sculpture and video. They explore scale and texture and play with the context of contemporary work in a historical setting.
